WHY TAKE IT?

Beginning around age 35, the body's natural collagen production begins to slow, which can lead to various negative effects on your body. Our grass fed collagen blend is specially formulated with Type 1 & 3 Collagen to help grow strong hair and nails, help with gut and joint health and promote youthful, radiant skin.

- To help **reduce the incidence of wrinkles**
- To help build **strong bones & joints**
- To help **build muscle & burn fat**
- To help support overall **gut health**
- To support you feeling **energized, confident & toned**
- To help you feel **happier, healthier & stronger**

LifeBotanica

LifeBotanica's Best Collagen Peptides

Contains two different types of hydrolyzed collagen sourced from grass fed and pasture raised bovine for maximum benefits

Say hello to healthier hair, skin, nails and joints! Our collagen contains two different types of hydrolyzed collagen for maximum benefit and is a great choice, regardless of diet or lifestyle.
